

Have you seen any numeracy outside of your maths lesson?

If so you could be in with a chance to win a Liverpool One voucher!

# How to enter the competition?

Entering the competition is easy, all you have to do is:

- Write down your name
- Write down your teacher's name
- Write a brief description of how numeracy was used

# What do I do?

Whenever you see numeracy outside of your maths lessons you need to complete the slip below. These can be found next to the ballot box in the corridor between D16 and D9 (near the Maths toilets).

I, ..... nominate ..... For a number bug award for their use of numeracy in their ..... lesson on ..... (Date DD/MM/YYYY)

This is how they used numeracy:

.....  
.....  
.....

Here is an example

I, **Mr Handhill** nominate **Mr Clark** For a number bug award for their use of numeracy in their **Physics** lesson on **05/12/2016** (Date DD/MM/YYYY)

This is how they used numeracy:

**We were studying speed, distance and time. Mr Clark asked us to calculate the speed of a car which travels 50 miles in 1 hour.**

.....  
.....

# What next?

- Once you have completed your nomination slip you need to put it in the numeracy bugs ballot box which can be found in corridor between D16 and D9 (by the maths toilets).
- You and your teacher will get a Numeracy bug.
- There will be 1 bug per teacher/class each week. If there are 2 or more nominations then a draw will be done to decide who receives the bug.

- At the end of each half term there will be a prize to whoever has collected the most bugs

# Prizes
