Dear Parent/Carer

As you know, we were visited by Inspectors this term and I am writing to let you know that the report is now available on the school's website at:

<http://www.westderbyschool.co.uk/OFSTED-reports>

If you require a paper copy, please contact the school office at the above number.

During their visit, inspectors considered a wide range of evidence, including current school data and last year's exam results. In addition, they held interviews with a range of staff and pupils from all key stages. They also observed many teachers and students in lessons and scrutinised pupils' books.

You will see from the report that inspectors found many positives in our school and have acknowledged the improvements made since the last inspection. They were also, of course, extremely complimentary about the boys; they are a credit to you and to us.

Finally, thank you to all the parents who responded so positively on Parent View and for your continued support. It is very much appreciated.

Yours faithfully

Mrs S Graham  
Headteacher
