3th October 2017

Dear Parent/Carer

I write to invite you to our Year 12/13 Parents' Evening which takes place on **Thursday, 12th October 2017 from 3.15-5:15pm**. This will be an opportunity to formally meet with your son's/daughter's form tutor and discuss their progress.

Please return promptly the reply slip below so that we do not have to contact you regarding your attendance. If you are not able to attend could you please return the slip indicating so and if required we can arrange an alternative appointment. The Parents' Evening is even more useful and informative if your son/daughter attends with you.

Also as part of the evening, we would like to showcase to you one of our flagship extracurricular programmes. Now in its 4th year, the school has worked closely with UK wide charity Career Ready and Think Logistics to offer our yr12/13 students the opportunity to open up to the world of work. Focusing specifically on the logistics sector, students are offered masterclasses, workplace visits, field trips and paid summer internships to give them every opportunity to experience training and job opportunities that are available in this vital sector. For more information prior to the parents evening please visit www.think-logistics.co.uk.

I look forward to seeing you at the Parents' Evening. If you have any further queries please do not hesitate to contact Mr Feeney (Head of Sixth Form).

Yours faithfully

Mrs S. Graham
