We Deliver Success

19th September 2017

Dear Parent or Guardian

I am writing to inform you that on Thursday the 5th of October the school will be hosting an Intervention and Information Evening for your son who is currently in Year 11. We wholeheartedly invite you to attend. The evening will begin at 3:30pm and will end at 6pm.

You will have the opportunity to meet with your son's English and Mathematics teachers to discuss his recent performance in his mock examinations. There will also be a less formal opportunity to chat with your son's other subject teachers about the progress he is making towards his G.C.S.E examinations.

We are also pleased to announce that on the evening there will be a variety of information stands and outside agencies who are working with the school to enable your son to reach his full potential. They are:

- Connexions (Careers advice)
- Career Ready
- West Derby Sixth Form
- Liverpool John Moore's University
- Edge Hill University
- Liverpool Hope University
- SENCO and Exam Support
- Mental Health (with a focus on how to deal with exam stress)

You will also have the opportunity to attend a presentation that will explore how you can help your son to revise more effectively in the approach to his G.C.S.E examinations. There will also be a range of revision guides and revision stationery packs at discounted prices available for you to purchase.

We look forward to seeing you on the evening on what we hope will be a very successful initiative. Please note that you can attend at any time between 3:30 and 6pm.

Yours faithfully,

Mrs S Graham
