14th December, 2016

Dear Students,

Firstly, I would like to congratulate you on gaining a place on the Realising Opportunities programme. Lots of people applied this year and your application was really strong. I am really looking forward to welcoming you to the programme and to the university.

I am writing to invite you and one of your parents or careers to our RO launch event, which will be held on Saturday 28th January, 2017, from 09:30am – 2:00pm. This session is compulsory. You will be with us until 2:00pm but parents will be leaving at 12:00pm after the morning introduction session. Please arrive at The University of Liverpool Central Teaching Hub for 09:30AM, which is number 221 (F:6) on the attached campus map. We really want parents to join us for the morning session but unfortunately we are limited to one parent per student, due to the capacity of the room we have. There is no designated parking for guests, although we do have pay and display visitor car parks, which are marked on the enclosed campus map. There is no dress code, so please come as you feel comfortable.

Now that you are working with us you will need to self-register for a University of Liverpool user account, online. Your main RO contact teacher may wish to support you with this at school or it is fine for you to do this individually, from home. You will receive an email with instructions on how to register at the email address you provided us with in your application, so please check for it in January.

I look forward to seeing you on the day and congratulations once again! I hope you have a great time off over the Christmas break and look forward to seeing you in the New Year.

Best Wishes,

Michael Mohebbi
