

West Derby School

Statement and Aims on Child Protection

Statement:

- We are committed to safeguarding and promoting the welfare of children and young people. All staff and volunteers are expected to share this commitment and must follow the school's code of conduct for adults. The school operates a whistleblowing policy. The successful candidate will be subject to an enhanced DBS and Barred List check.
- Through our day to day contact with pupils and families, **all** education staff have a crucial role to play in noticing indicators of possible abuse or neglect and in referring concerns to one of the School's Designated Safeguarding Leads.

Aims:

- This school aims to create and maintain a safe environment and to effectively manage situations where there are child welfare concerns.
- We will develop and maintain an "aware culture" throughout the school, following the principles of Keeping Children Safe in Education.
